SEA MOSS FARINE.

THE NEW FOOD SOURCE.

SEA MOSS FARINE.—This new and elegant preparation, made from Irish Moss, or Carrageen, is conceded to be the cheapest, healthiest and most delicious food in the world. As a delicate but valuable dessert it has no equal, and it is light and delicate food for invalids and children. It is superior to all kindred preparations.

This new article of food has every where won "golden opinions" of all sorts of people, and the housekeepers of the land generally regard it in the double light of a staple necessary and a delicious luxury, for while it lessens the expense of living, the exquisite dishes prepared from it cannot be obtained even at an extravagant cost from any other source. For twenty-five cents you can buy a package which will make sixteen quarts of Blanc Mange, and a like quantity of Puddings, Custards, Creams, Charlotte Russe, &c.

THE GREAT
Spring & Summer Tonic.

Medical treatment has been revolutionized, and at last the discovery has been made that RENOVATION, NOT PROSTRATION, IS THE TRUE MEDICAL PHILOSOPHY. The introduction of PLANTATION BITTERS, prepared with pure St. Croix Rum and Calisaya Bark, opened the eyes of the world to this great fact. The life-sustaining principle embodied in this great Vegetable Restorative is manifested in the weak and desponding by an immediate and most encouraging change. If the appetite has failed, it is quickened; if digestion has been painful and difficult, it becomes easy and thorough; if the brow is turgid, it is cooled and regulated; if the nerves are relaxed, they are strengthened and restrung; if the brain has been bewildered by morbid fancies, they are put to flight, and hope and cheerfulness restored. In the face of the extraordinary cures of general debility, dyspepsia, biliousness, constipation and mental despondency, wrought by Plantation Bitters, no practitioner not in league with death and the undertaker could persist in it. The terrible evacuents which were once prescribed as Spring and Summer medicines have utterly lost their prestige. The sick will not take them, and Plantation Bitters, in which are combined the elements of a stomachic, an invigorant, a mild laxative, a nervine, and an anti-bilious specific, reigns in their stead. Sold by all Druggists.

EXPLANATION.
HOOFLAND'S GERMAN BITTERS
Are entirely vegetable, and contain no liquor. It is a combination of Pure Schnapps, the Roots, Herbs, and Barks from which our most valuable medicines are extracted. This is by a scientific chemist. These extracts are then submitted to this country to be used expressly for the manufacture of these Bitters. This is an important advantage, as it is well known that all the medicinal virtues are extracted from a vegetable substance in a more perfect manner by a scientific chemist than by the usual process of manufacture. Hence it is that these Bitters are more powerful than any other preparation.
HOOFLAND'S GERMAN TONIC
HOOFLAND'S GERMAN TONIC
Is a chemical preparation of the Bitters for those who do not like ardent spirits. It is composed of all the properties of the Bitters, combined with pure Santa Cruz Rum, and other valuable tonics. It is used in connection with the Bitters, but may be used alone, if preferred, in connection with the Bitters, but may be used alone, if preferred, in connection with the Bitters, but may be used alone, if preferred,

THE NATIONAL GAME.

proposed Campaign of the Potter Palmer Club.

Some Facts Concerning the Harvard College Nine.

The White Stocking-Star Game.

Cincinnati on the Chicago Club.

THE POTTER PALMER CLUB,
an amateur organization, made up of a class of young men who are gifted with the physique and the ambition requisite to an excellence in base ball, have a strong base ball team, will leave Chicago this morning upon an extended tour, visiting upon the following dates: Thursday, July 14, at Dwight; July 14, at Oregon; July 15, at Rockford; July 16, at Freeport; July 18, at Beloit; July 19, at Janesville, with the Forest Citys; July 19, at Janesville; July 20, at Madison; July 21, at Ripon; July 22, at Fond du Lac; July 23, at Watertown—and from there visiting the principal cities of Wisconsin and Minnesota. GAME AT BATTLECREEK.

Probably the first match played in this city will be with the Battle Creek Stockings, will be with the Harvard College Nine, on July 26. If what we hear of them proves to be no idle boast for base ball efficiency, the young gentlemen of the nine will have a lively time of it. Our present nine seems to have their own. The following matches then to report to their progress, which will be found of interest:

Boston, July 4.—Game with the Princeton College Nine.—Princeton, 29; Boston, 18. The Princeton College Nine, on their return home, met the Athletics of Philadelphia, and were defeated by the score of 29 to 18.

NEW HAVEN, July 4.—Game with the Yale College Nine, very closely contested, and, as compared with the best base ball matches played in this vicinity, highly creditable to both clubs. Yale, 27; Rose Hill, 8. It is thought that the Yale Nine will be able to beat the Rose Hill nine by no more than 20 to 25. This is the worst defeat they have received.

TROY, N. Y., July 4.—Game with the Rose Hill Club, of New York, at Troy. Rose Hill, 31; Troy, 27. The contest was very closely fought, and the result was finally decided by the last inning. Indeed, it is considered by the spectators of the National ballplay, at Troy, that Troy would have fully characterized by the enthusiastic encouragement of home, spectators. Troy, however, is a good ballplay by enterprising players.

SYRACUSE, N. Y.—Game with the Syracuse, Harvards, of Syracuse, N. Y., Gerard, Jr., Captain, Gerard, W. Holden with the Orchard Nine, report.

The Harvard nine is composed of students in the Undergraduate and Scientific Departments of Harvard University. With, perhaps an exception or two, they are mere boys, principally of the young men, indicating a good use of the College gymnasium. The nine is composed of the best players of the highest social standing in the University, with the full attendance of a class of people, known and recognized as the best in the country. Owing to the account of their high standing, both as players and gentlemen, they have been invited to visit the principal cities of the "International Four," and they left Cambridge on the 4th inst. for Buffalo, where they were to play a match game with the Buffalo Stockings on the 5th inst. Their subsequent movements we have not learned, but we presume they will not seem to get the worst of the pitching till they reach Chicago.

ILLINOIS MANUFACTORIES.

Inauguration of the New Rolling Mills at Joliet.

Description of the Buildings and Machinery—Speeches and Festivities.

Yesterday was a gala day at Joliet. To have seen the immense throng of in-bom and acclimated, who left their homes and occupations in the city, and their business and professional men who left their offices and counting-rooms, to participate in the celebration on the occasion of the home, was would have thought that the Fourth of July was being celebrated. Indeed, it is conceded by the spectators of the National holidays at Joliet, that few have ever been fully characterized by the enthusiastic demonstrations of loyal, spontaneous, free, American citizens, as was the inauguration of the new rolling mills of the Illinois Steel Company, at Joliet, yesterday.

The mills themselves were not so much the cause of the gathering as the occasion. They were to it a local and public event, and the pretty occasion being taken advantage of by the people to show their appreciation of the importance of the establishment of the mills to the city and to the State. It will be remembered that the Fourth of July was selected by the Illinois Steel Company as the day for the formal opening of the mills, by the full assemblage of a class of people, known and recognized as the best in the country. Owing to the account of their high reputation, both as players and gentlemen, they have been invited to visit the principal cities of the "International Four," and they left Cambridge on the 4th inst. for Buffalo, where they were to play a match game with the Buffalo Stockings on the 5th inst.
